Taste The French Excellence!

As you might know earlier this year we had to make some big changes in the Paris Cake Shop and Tarte Elysée businesses. After contemplating the possibility of opening a new shop in Bondi, we finally embraced the new way of commerce by going online and staying there!

You can now order your favourites online at [FrenchCakesSydney.com.au](http://FrenchCakesSydney.com.au)

As we only operate online we now have a delivery service which means we deliver the cakes right to your door! We deliver 7 days a week except Christmas, Boxing and New Year's Day.

Our philosophy is to provide you with the best cakes according to the French Tradition in the Art of Patisserie. We only bake with the freshest, unprocessed and finest quality food using hand cracked free range eggs, authentic butter and cream and a2 milk™. Your health is our concern and we are offering a gluten free range line that people rave on especially with our famous Russe cake

We would like to take the opportunity **to thank our loyal customers** who have helped us to continue our work and to keep James busy doing what he loves most: baking beautiful cakes! **To reward that loyalty, you will receive 10% back** from your first order before January 2013, in the form of a coupon
