Spring is in the Air

So check out our new cakes or our old favourites to celebrate the turning of seasons

Fraisier(NEW)

The Fraisier is a strawberry sponge cake base with mousseline cream, custard, fresh strawberries and finished with marzipan.

Enjoy this perfect spring treat with your friends and families.

Moulin Rouge

Starting off spring with this heat only means one thing for us, it's time to bring back the mousses. You won't go wrong with the Moulin Rouge, with a berry mousse on a light biscuit and finished with a cocktail of berries. A light and delicious option for sure.

Petits Fours

With spring, outside get-togethers and barbecues or tea in the garden are back in swing. Why not take out the hassle of food preparation and get some sweets or savouries in bite size for you and your guests. With over 14 sweet varieties and 10 savoury you're sure to make a splash!

Have a great month and enjoy this beautiful season!
